MISSING IN ACTION—Roger J. Arendt, 24 (above), a sergeant in the U. S. army air corps, has been missing in the northwest African war zone since November 7, the war department has notified his parents, Mr. and Mrs. John M. Arendt of Port Edwards. It is presumed Sgt. Arendt was lost either in the sinking of a transport or the crash of a plane since the war department message said he was missing at sea. The Arendts have two other sons in service, Wilfred in the army, at a Kentucky camp, and Clarence in the marines, at San Diego.
