3 ARRESTED FOR BEAVERS THEFTS

WASHINGTON—The beavers were the principal victims last Saturday in a series of air raids that the Germans scored a spectacular victory in the battle for control of the sky above Bomber Command.

The first attack came at 10:30 a.m., when a score of American bombers hit a target in the heart of Berlin. A second raid, at 11 a.m., destroyed a number of bridges over the River Elbe.

At 12:30 p.m. a third team of American bombers struck the German capital, and at 1:30 p.m. a fourth wave of American bombers attacked the city again.

The raids were all successful, with the Germans losing over 100 planes and suffering heavy casualties. The Americans lost only 5 planes and 55 men, but the total number of German casualties is not known.

The British are planning to send more bombers to Berlin, and the Americans are expected to strike again soon.

FARM LOAN ASST. CONSOLIDATION IS EFFECTIVE APRIL 1

Consolidation of Farm home associations begins today with the establishment of a single Consolidation of Farm Home Associations (CFHA), which will replace the various state and local farm home associations that have been in operation for over 20 years.

The CFHA will be headquartered in Des Moines, Iowa, and will have a staff of 200. It will be responsible for the administration of farm home loan programs, including the Home Ownership Loan Program, the Home Improvement Loan Program, and the Farm Operators Loan Program.

The CFHA will also be responsible for the development of new loan programs and the coordination of existing programs with other government agencies.

In addition to providing financial assistance to farmers, the CFHA will work to promote the economic development of rural areas and to improve the quality of life for farm families.

Farmers who wish to apply for loans or who have questions about the CFHA should contact their local office or the CFHA headquarters in Des Moines.
