the board could the parochial schools as well reater considera- as to outlying district schools. ng the decision. Public school Supt. Ray Clau- lent Henry Ben- sen said this could easily be done. A more formal arrange- ment was viewed as less likely, however. Clausen noted that a limited staff size makes it diffi- cult for regular meetings to be scheduled.

Dan Meyer, president of the SS. Peter & Paul School Board, urged the board to formally recog- nize the need for continuous consultation between the sys- tems.

Bennett said the board would informally encourage communi- cation, and added that "he could see no need for formally struc- tured meetings." He suggested that the group gather again in May, and pointed out that all board meetings are open to the public.

Also attending the meeting were Sister Irene, principal of St. Mary's Grade School; Sis- ter Dorothy, principal of St. Vin- cent de Paul Grade School; John Cwiklo of the Assumption High School Board; Marvin Rohm of the Immanuel Lutheran School Board; William Quinn of the SS. Peter & Paul Board, and Lee Kauth, secretary of the Wisconsin Rapids Board of Education.
