

St. Lawrence Parish Marks Golden Jubilee

Sept 25, 1950

Commemorating the fiftieth anniversary of the establishment of St. Lawrence Catholic parish in this city, laity and clergy joined Sunday in golden jubilee festivities distinguished by the presence of the Most Rev. John P. Treacy, bishop of La-Crosse.

A solemn high mass of thanksgiving took place Sunday morning with the Rev. Stephen Mieczkowski, a former pastor at St. Lawrence, as celebrant and Bishop Treacy presiding in cappa magna. Officers of the mass included the Rev. Stanley Andrzejewski, assistant priest; the

Rev. Dominic Eichman, deacon; the Rev. Alois D. Sherfinski, sub-deacon, and the Rev. Norbert Staszak, master of ceremonies.

Delivering the jubilee sermon was the Very Rev. Joseph Andrzejewski, Arcadia.

Banquet, Program

The parish hall was the scene of a 1 o'clock banquet served by women of the congregation, followed by an inspiring program, and the jubilee festivities were climaxed in the evening when the church was filled to overflowing as Bishop Treacy administered the sacrament of confirmation to approximately 100 children and adults.

The Very Rev. Msgr. C. W. Gille was master of ceremonies at the jubilee program following the mid-day banquet. Entertainment included music by a string trio composed of Mrs. Dorothy Coe Lipke, harpist; Carl Groulef, violinist, and Mrs. James Hardtke, violist; a song by the St. Lawrence choir; a drill by children of the primary grades of the parish school, and a festival dance by third and fourth grade girls.

The jubilee queen, Shirley Kubisiak, whose grandparents, Mr. and Mrs. Casper Kubisiak, are charter members of the parish, welcomed Bishop Treacy on behalf of the congregation and presented to him a beautiful bouquet of red roses.

Commends Congregation

Addressing the gathering, Bishop Treacy commended members of St. Lawrence on what has been accomplished during the parish's first 50 years, both spiritually and in the physical achievements represented by its splendid church edifice, the parish school, and the new rectory which is now under construction.

Declaring that the dangers now faced by the nation from the menace of communism can only be successfully met through an acceptance of God's divine leadership, Bishop Treacy decried the departure from Christian principles represented by banning the teaching of the word of God from the American school system, other than in the parochial schools. He expressed the hope that there may soon be established in Wisconsin Rapids a Catholic high school, to further the religious as well as the scholastic training of the
