Rites Friday For Soldier

Gille is to officiate and burial will take place in Calvary cemetery with military rites by Hagerstrom-Rude post No. 9, American Legion.

The body is to arrive this evening and will be taken to the Krohn and Berard Funeral home where friends may pay their respects until time of services. Prayers are to be said at 8 o'clock Thursday evening.

ing four-day period.

Col. Peter C. Bullard, post commander, said that soldiers other than trainees who have accrued leave and who can be spared may receive furloughs up to eight days.

The policy was formulated following cancellation of the army's Christmas holiday plan which would have permitted most of the troops training in the United States to go home December 23 to January 1.

Harry Garber, Wisconsin Rapids, was found guilty by a circuit jury here Tuesday afternoon of attempting to bribe a public officer.

The jury, composed of eight women and four men, took only two hours to reach a verdict.

To Consider Motions

Judge G. N. Risjord did not pass sentence upon Garber, but will consider motions by the defendant's attorneys to set aside the verdict. Possible penalty for the offense is one to five years in state prison or a fine of \$200 to \$1,000.

The state charged that Garber, through Harold Miller of this city, had offered Justice of the Peace Gerald W. Hierl up to \$700 and legal business if he would not revoke Garber's driving license for drunken driving. At the trial, Garber denied that he had authorized Miller to offer the bribe.

Miller, who pleaded guilty to attempted bribery Monday, also is awaiting sentence. He was the state's chief witness during trial.

Members of the jury were Kenneth Rezin, Cranmoor; Ellen Firth, town of Grand Rapids; Charlotte Greenwood, Marshfield; Ruby Page, Marshfield; Dewey King, town of Port Edwards; Belva Potts and Elfa Tiffany, town of Remington; Florence Bassuener, town of Sherry; Anker Pederson, town of Sigel; Russell Anunson, Evelyn Beadla, and Hazel Billings, all of Wisconsin Rapids.

Begin Schneider Trial

Testimony began this morning in the criminal action against Arnold Schneider, 19, town of Grand Rapids, for operating a motor vehicle while his license was suspended.

Schneider's father, George Schneider, also of Grand Rapids, was fined \$10 and costs in circuit court Tuesday when he pleaded guilty to illegal transfer of a motor vehicle.

In another criminal case involving the elder Schneider, his attorney waived a jury trial. The action against him for allegedly permitting an unauthorized person to operate a motor vehicle will therefore be heard before Judge Risjord some-

As in all previous calls, the draftees where the greatest manpower build-up is needed and where the heaviest losses from battle casualties have occurred.

The army wants 80,000 called in January and the same in February instead of calling only 40,000 the first month and 50,000 in the second. The 80,000 is the biggest monthly call since the huge demands of World war II.

Here is the background against which the new draft call was issued:

1. The army, now at a strength of about 1,000,000, is aiming at a

goal of 1,264,900 by next July 1—perhaps even more if the foreign situation worsens.

2. The army casualty total for Korea is now something more than 27,940 (the most recently announced figure which covered the period through December 1).

Along with the draft call there is expectation of increased callups of reservists, especially in event of a national emergency proclamation. A slow-down in the reserve program, put into effect in October, has been abandoned. Moreover, speculation persisted that additional National Guard divisions would be summoned to federal service. Four are already in.
