JAP PLANES ATTACK DUTCH HARBOR-Four Japanese bombers and 15 fighter planes attacked the U. S. base at Dutch Harbor, Alaska (circled), in the first of two raids announced by the navy in Washington. The first attack lasted 15 minutes, but no details were given. This map locates Dutch Harbor and shows distances from Japan to various Pacific points.

British Airmen Blast Bremen As Commando Force Scouts Coastal Defenses in France

IN BLACK RIVER

A three-day search of the east and two fighters were missing fork of the Black river in the town of Rock ended at 3:30 p. m. Wednesday with the finding of the body of Stanley McTavish, 51, missing

since last Sunday night. Sheriff William Sanger, who had directed efforts to locate the body after clothing was found on the bank of the fork Monday morning, said it was discovered about threefourths of a mile down stream from the point where the clothing lay.

Had Gone Swimming

McTavish had gone swimming, the sheriff said. The body was clad in a bathing suit and was caught in branches of a tree which had been uprooted by the waters of the creek brought to flood by the heavy week-end rains. George Florence, Pittsville, R. 1, who was patrolling

The sheriff said the death would be listed as an accidental drowning. McTavish had gone into the water about a quarter of a mile from his farm in Rock town where he lived

Funeral services will be held at 1 o. m. Friday from the Rembs funeral home at Marshfield and at 2 o'clock from the Nasonville community church.

McTavish was born in Rock, on March 21, 1891, and attended schools at Nasonville and Marshfield. He was a veteran of the World war and was a member of the American Legion post at Marsh-

from the night operations. Strike at Shipyards

A strong R. A. F. force flew through moonlit skies to strike at Bremen targets—such as shipbuilding and submarine yards, docks, railways, steel works, oil refining installations, an aircraft factoryin a follow-up to the mass raids upon Cologne and Essen. Only Hamburg ranks ahead of Bremen as a German maritime center.

Black-faced Commandos, escorted by navy warships and protected in their withdrawal by R. A. F. fighters, stabbed across Dover strait after midnight on a reconnaissance raid officially declared to have produced "valuable information."

It was the second Commando thrust against the Boulogne-Le Touquet area, scouled before on April 22. Boulogne lies 25 miles south of Dover and Le Touquet is 15 miles farther south. Between them is a coast of dunes and marshes.

Casualties Slight The force was described as a small contingent; casualties were 2:30 p. m. Sunday.

officially declared to have been (The German high command said hat its forces had repulsed "an attempted British landing" on the oc-

cupied French coast and that Ger- of the camporee program, designed man troops had captured "some to permit patrols to compete in risoners and arms.") The Boulogne-Le Touquet area, 25 standard of efficiency instead of

miles from England's Dover coast, s viewed by military experts as one of several areas suitable as bridgeheads for an invading allied army.

Commando Chief in U. S.

The operation took on implications of added importance in the absence of the Commando leader, Vice Admiral Lord Louis Mountbatten. He was in Washington with Field Marshal Sir John G. Dill, member of the combined chiefs of staff group set up last February "to insure complete coordination of the war effort" of the United States and Brit-

Offer Free Grading of Cheese for U.S.

Madison, Wis.—(P)—The state department of agriculture offered today to grade free of charge all Wisconsin cheese purchased by any branch of the federal government between now and December 31. In a letter to C. W. Kitchen, as-

sociate administrator of the Agricultural Marketing administration, Ralph E. Ammon, department director, said he was submitting this proposal because the state was financially able to take on the work and because falling cheese prices made it advisable to effect savings for dairy farmers.

Another reason, Ammon said, was that the reports and records required by the bureaus in Washington to recover the state's grading costs took "more time than the actual grading and threw an unbearable burden upon our cheese graders at
