COUNTY JAIL

PRISONERS WORK

WOOD COUNTY SOLVING LABOR LOCAL HUNTERS TALKING OF PROBLEM-PRISONERS PUT

TO WORK

Wood county is one of many in this work.

Wisconsin Statute, Section 697c, sport out of it. generally known as the Huber Law, provides that every male person over sixteen years of age, who shall be convicted by any court or magistrate on the charge of vagrancy, vagabond-PRESIDENT'S NEICE age, petty larceny, drunkenness, or disorderly conduct, shall be punished by imprisonment in the workhouse or Vallejo, Cal., July 9-A report that FRANK COMPTON WILL NOW in the county jail, at hard manual labor.

sixteen years, sentenced to the county Frank E. Compton of Chicago, form- jail, who is of sufficient ability to do erly of this city, is again reported en- so, shall be required to perform hard gaged to a member om President manual labor. The provision is not formed here. limited to any particular offense but A Milwaukee paper today says that includes all sentences to the county on Saturday the engagement of jail.

The law also states that it is the Frank E. Compton and Mrs. Annie) absolute duty of the sheriff to see Wilson was announced in New York. that such persons are so employed, and to procure employment for them, and that for failure to do so the sheriff LOCALS LOST YESTERDAY'S Mrs. Cathrow is a daughter of the is subject to a fine of one hundred president's only sister, who died last dollars for the first offense and remoxal from office for the second of-

Under the provisions of this section, any place within the county where prisoners may be employed is made a part of the county jail while employed under the contracts of employment so made by the sheriff, such prisoners are constructively within the custody of the sheriff. For re-ATTACK JUPITER fusing or neglecting to work, prisoners are subject to punishment by being injured during the week. He solitary confinement on bread and water for a period of ten days, and nings, however, when he was relieved are subject to a fine of not more than five hundred dollars or by imprisonment in the state prison or county jail for not more thon one year for escaping, or attempting to escape while so employed. For faithful perperformance of duties assigned to them under such contracts of emacross the Atlantic. Zimmer says ployment, prisoners are entitled to a reduction of one-fourth of the time of

The Huber law makes it clear that vagrancy in one of the offenses punishable by impisonment in the coundisappeared. Zimmer says that it ty jail or workhouse. And vagrancy has been broadly defined time and again as persistent idleness-loafing. A man need not be a tramp to be arrested for vagrancy. If an ablebodied man is a hanger-on and is continually unemployed, he is a vagrant and can be made to work.

SPEEDERS ARE BEING SHIPMENTS OF COMMODITIES DEALTH WITH

POLICE AT WAUKESHA ACTIVE IN STOPPING ALL TRAFFIC VIOLATIONS

(By Associated Press) Waukesha, Wis., July 9-Automobile speeders are being dealt with severly in the local court for committing violations of the ordinance regulating traffic:

Two "speeders" paid fines and costs of action on Saturday and another had his case put over until the next term of court. The patrolmen are active in stopping all violators. The reason arrests were the result of various complaints filed with the common coun-

MAY ORGANIZE

ORGANIZING CLUB TO KILL CROWS

state that is solving the labor pro- local hunters to organize a "Crow blem by putting its prisoners to Club," the object being to kill these pests, and at the same time get some

> The idea is to get all the hunters in this vicinity to join the organization and start a systematic campaign against the crow. While benefiting the entire country much sport would be derived in the slaughter of these pests.

A prize would be offered to the member who succeeded in killing the largest number in a given time and they would also be entitled to the The law is plain. It states that bounty placed on the "farmer's every male person over the age of enemy." The idea seems to have found favor among Grand Rapids sportsmen and it looks as though a good heathly organization would be

MARSHFIELD WON

THE GAME

GAME TO MARSHFIELD-

SCORE 10 TO 4

Grand Rapids lost the game played here yesterday, the score being 10

It evidently was an off day for the Rapids boys, while the Marshfield team was in pink of condition.

The locals were crippled to some extent, owing to Plahmer's condition, he managed to pitch through eight inby Nelson. Marshfield was credited with 13 hits and one error, while Grand Rapids was put down for seven hits and seven errors.

Next Sunday the Rapids will play at Vesper.

WILL GET THE

WORST OF IT

TROOPERS WHO DO NOT ATTEND

DRILLS WILL HAVE TO MAKE UP AT CAMP

There are some members of Troop G who do not realize what they are up against by staying away from the regular weekly drills. They seem to think that these drills are held just for the fun of it, and that it is not necessary for them to attend.

These men are a detriment to the troop. In a way they keep the others back, and make it harder for all concerned. When these fellows reach camp they will be weeded out, formed nto ackwards squads and drilled constantly until they make as good a showing as the balance of the troop. They will be at the tail end when promotions are made, and will not be

Besides this they are out financially as the men are paid for every drill they attend.

thought much of by their comrades.
