BULL CRUSHES SIGEL FARMER CAUSES DEATH

FARMER BADLY CRUSHED BY BULL SATURDAY—DIES MONDAY MORNING, FOLLOWING OPERATION

John Jozwiak, 65, well known farmer of Sigel, who has made his home with his brother, Lawrence Jozwiak during the past seven years, was badly crushed by a bull last Saturday morning, and died in the hospital in this city early this morning, following an operation to save his life.

Accident Peculiar

According to the story told the Tribune today, Mr. Jozwiak had gone to the barn about 8 a. m., and had entered the manger in which the bull was standing, to place some feed in the feeding trough. Thinking that the animal which was fastened in the manger by a chain, had become unfixed, Mr. Jozwiak walked up to fasten the chain when the bull suddenly swung his head, striking him against the manger and badly crushing the right side of his chest. The bull crushed him the second time, according to the story which Mr. Jozwiak told when he was discovered a short time later leaning against the side of the manger. There were no eyewitnesses to the accident, but Mr. Jozwiak, who was not rendered unconscious, told members of his family that after attacking him the second time, the animal backed away and left him alone.

Thought Not Seriously Hurt

Neither Mr. Jozwiak nor members of his family considered that he had been seriously hurt, and he was able to walk to the house unassisted and later when brought in to the hospital was able to walk from the automobile into the hospital without assistance. Dr. J. J. Looze who was called, saw that an immediate operation was necessary to save the man's life, but the operation which was performed Saturday about 11 a. m., did not avail, and Mr. Jozwiak passed away at 3:45 this morning.

Well-Known Here

Mr. Jozwiak was well known here, having worked for a couple of years in the paper mill in this city. At the time of the accident he was employed on the farm of his brother, Lawrence Jozwiak, whose farm is located about 8 miles from Grand Rapids, in Sigel township. Mr. Jozwiak leaves to mourn his death, a wife and a family of five grown children who reside in Pittsburgh. The time of the funeral has not been set, but will be held in the Polish Catholic church in Sigel, Rev. Ciszewski of this city officiating.

KANSAS MINERS ARE ORDERED BACK TO WORK

MINEWORKERS PRESIDENT ORDERS UNIONS TO RETURN TO WORK

(By Associated Press)

Indianapolis, Ind., Aug. 4.—Telegrams were sent to thirty-three local unions in Kansas by President Lewis of the United Mine Workers of America, ordering them to return to work and end the strike which has been reported to the international headquarters of the miners here.

According to the reports received by President Lewis, 3888 miners are on strike in thirty-three mines in Kansas fields.

In his telegram President Lewis declared the strikes were illegal and unauthorized and in violation of a contract between United Mine Workers and the Southwestern Coal Operators' Association.

The contract calls for settlement of all disputes by joint board of adjustment and the men must return to work and take up their grievances in the usual manner, Lewis said.

Lewis also sent a telegram to Alexander Howard, President of the Kansas miners, denouncing him for fostering the strike trouble.

MISS GASKELL VISITS JOHN BUCKLEY'S GRAVE IN ARGONNE CEMETERY

FORMER TEACHER OF GRAND RAPIDS HERO DECORATES RESTING PLACE.

The Milwaukee Journal of last Sunday carried a long story and several pictures of the Milwaukee Journal party now touring the European battlefields. It was of considerable local significance for Miss Lillian Gaskell formerly a teacher in the Grand Rapids schools decorated the grave of Lieut. John Buckley, Grand Rapids aviator, son of Mrs. Georgianna Buckley.

The Grand Rapids hero was one of Miss Gaskell's pupils when she was a teacher here and she of course was anxious to visit his grave and pay tribute to him.

The following is part of the story sent across the waters by the Journal correspondent:

Verdun, France.—The Journal party of teachers spent a night in Verdun.

Thirty thousand persons lived here in 1914. The number now is less than 2,000. Strolling through it is like visiting a banquet hall filled with the debris left by a band of last night's drunken revellers.

The Journal teachers were able to do a service to some of their Wisconsin friends who lost relatives in the war. The party visited Romagne cemetery—known here as the Argonne cemetery—30 miles away, where 28,000 American boys are buried and where the teachers had the privilege of decorating the graves of sixteen former students and friends. They are:

- Lieut. Maurice E. Barnett, Jr., Neenah.
- Harold R. Bates, Darlington.
- Lieut. John Buckley, Grand Rapids.
- John J. Burns, Wausau.
- Otis Clark, Waukegan.
- Joseph Fitzpatrick, Sheboygan.
- David Hendrickson, Darlington.
- Floyd Holub, North Division high school, Milwaukee.
- Lieut. Frank T. Montgomery, Wausau.
- Lieut. John B. Nelson, Eau Claire.
- Homer Parkinson, Darlington.
- Lee Parkinson, Darlington.
- Arthur E. Shale, North Freedom.
- Charles Tice, Milwaukee.
- Rudolph Van Handel, Sheboygan.

REPORT HEAVY FROST MARSHLANDS NORTH OF CITY SATURDAY NIGHT

EARLIEST FROST OF SEASON BADLY DAMAGES BUCKWHEAT CROP ON MARSHES

One of the earliest frosts reported in this vicinity, occurred Saturday night and was followed by a second and harder frost last night, in the low lands north of Grand Rapids. In some places the crops were badly damaged, while at other points little damage was done, indicating that the frost travelled in streaks.

Buckwheat Total Loss

L. M. Nash of the Nash Hardware Company, reports that 50 acres of buckwheat belonging to him, located just north of the city limits, on the LeFevre marsh, were frozen down, and that the crop is a total loss.

L. L. Ferguson, R. R. No. 1, reports that buckwheat, soy beans and millet growing in the low places in the Crooked Rift Marsh, north of Biron were badly damaged Saturday night. Corn growing in some of the low places was also damaged to some extent.

Clarence Searls of A. Searls & Son Co., stated to the Tribune this morning that there had been some frost on marshes belonging to the company, but that the crops were only slightly damaged.

Not Cold Here

No frost was recorded in Grand Rapids Saturday night, nor last night, according to George T. Nixon, the local weather forecaster. A temperature of 64 degrees F. was recorded at 10 p.

m. Saturday and the fall in temperature during the night was only slight. According to Mr. Nixon, frosts during the summer on the marsh low lands are not unusual. During the summer of 1910 he reports that frosts occurred practically every month on the marsh lands.

County Agent Peterson, when interviewed this morning, stated that he had heard of no other frosts in Wood County on either of the nights mentioned.

ALLEGED BURGLAR SHOT BY MARSHFIELD POLICE SAID TO HAVE RECORD

MAN IDENTIFIED BY MARSHFIELD AUTHORITIES AS HAVING SERVED MANY YEARS IN WAUPUN.

The alleged burglar who was shot by officer Kuntz of Marshfield, when he attempted to make his get-away after having been arrested in suspicious circumstances in the basement of a Marshfield jewelry store, Thursday evening of last week, has been bound over to the Circuit Court for trial and has been lodged in the County Jail here awaiting trial.

According to the Marshfield authorities, the man, who first gave his name as Frank Olson, has been identified as one William Eddie, who is said to have a long record of service in Waupun for various offenses. The prisoner is a man of about 54 years of age, and is said to have spent 22 years in the State penitentiary. Marshfield officials claim that the man was captured their 12 or 15 years ago and that he was convicted on burglary charge at that time.

Not Badly Injured

The alleged burglar was arrested about midnight Thursday by Officer Kuntz, who took him to the Marshfield police station. While searching him the man made a break for liberty and was only stopped after the officer had shot him through the thigh. The wound was only slight and the man is recovering in the county jail here.

RUDOLPH MAN HIT BY AUTOMOBILE MONDAY

ELDERLY MAN BADLY SHAKEN UP AND BRUISED IN AUTO ACCIDENT

J. B. Akey, aged 80, residing in Rudolph, was badly shaken up and dazed, when an automobile driven by

Emil Haumschild, also of Rudolph ran into him Monday evening about 8:00 o'clock.

It seems that Mr. Akey, who is quite deaf, was walking down the road near Rudolph and had stepped out of the way of an approaching automobile. In so doing, he stepped over in the path of the Haumschild car, which was approaching from the opposite direction, and was struck before the driver could bring the car to a stop.

Reports from Rudolph today state that Mr. Akey was not badly injured, merely bruised and shaken up, and that he is able to be around again today.
