Scattered in the deep snow were reminders of the recent holiday festivities, torn bundles in the brilliant colors of Christmas wrappings. Although civilians made up the tested continually during a confer-ulk of the casualties, at least six ence in Atty. M. S. King's office bulk of the casualties, at least six

soldiers were among the dead. Worst Wreck Since 1910 It was the worst train wreck in Canada since 1910, when 43 persons were killed in the derailment of a McEvers declared. train at Spanish river bridge,

Webbwood, Ont. Last night's collision occurred at a grade crossing, beside the intersection of Mills and Bridge streets, King were present, that signing was the latter Almonte's main thoroghfare. So great was the impact of the two trains that two sizeable trees by the right-of-way were city, she was responsible for the sheared off by the telescoping store on the day in question.

Police Chief William Peacock of Almonte who was among 150 citiz- for nearly an hour, and questionens saying goodbye to relatives and friends, was on the station platform as the engine crashed into the standing train.

Didn't See Train Coming "I didn't see the troop train com-

ing," he said later. "There was a terrific crash as it hit the rear end of the other train." The wreck occurred at about 8:40

p. m. Residents and soldiers who leaped from the troop train rushed to help the injured. Bodies were pulled from the wreckage and taken to the town hall, which became a temporary morgue. Almonte's hos- Dexter, and Otto Hinc, Marshfield. pital facilities could not begin to cope with the situation, and even coal bins in the institutions were used to house the injured.

Not for several hours after the crash did workers find the body of a small child lying beside the station building. Whether she was thrown there by the impact or crawled there before she collapsed was not known.

42 Injured in Cicero, Ill., Foundry Blaze

Chicago -(P)- Forty-two persons were injured today in a fire damaged the Electrocast Steel Foundry company in a war plant area of suburban Cicero. All but 17 were released after treatment in Loretto hospital. The center section of the build-

ing, about 70 by 35 feet, was blown out by an explosion which firemen

said occurred in the furnaces. FBI agents appeared to investigate possible sabotage of the plant whose interior was left a mass of at 1:30 p. m. Sunday, breaking her right arm between the elbow and

twisted steel, though the walls remained standing.

The explosion rocked the Cicero view hospital, where she remained village hall eleven blocks away.
