

Services held for GI

stationed about 30 miles from the Kuwait border at the time he was killed, his family said.

The Rev. John Corcoran of Victory Christian Church called Calloway's death "tragic, unexpected, senseless."

Calloway never let things get him down and he was very

close to his family, the minister told mourners.

When the soldier's father suffered a heart attack in January, Calloway went AWOL — absent without leave — from his unit in Texas to be by his dad, the minister said. "It showed where his priorities were, to be next to his family."
