The report said Eisenhower ac-
knowledged the Soviet bloc has a
unity lacked by the North Atlan-
tic treaty nations but said it was
brought about "by a gun and a
sword held forever behind a man's
back ready to chop off his head."

To gain real unity, the senators
said, Eisenhower told them the job
is to convince every nation and
man participating in Western Eur-
ope's defenses that "we are ap-
proaching this thing from the
standpoint of enlightened self-in-
terest."

Return Pfc. Young's Body

The body of Pfc. Donald R.
Young, 22, who was killed in ac-

being returned to Wisconsin Rap-

He was the son of William

The local soldier's remains,
along with those of 504 other

Honorable Out for Arm

West Point, N. Y. - (AP) - The
army was holding firm today to
its stand that there will be no
honorable discharges for cadets
found guilty of violating the mili-
tary academy's honor code.

There has been a strong move-
ment, launched last week by head
football Coach Earl (Red) Blaik,
to allow the cadets to leave the
academy without the stigma con-
tained or implied in other forms
of dismissal.

A restatement of the army's po-
sition came yesterday with an of-
ficial announcement that final
hearings should be completed
early this week on the 90 cadets
facing dismissal for cribbing on
examinations.

"The action we are to take has
been approved by the department
of the army and the president
himself," said Col. James B. Leer,
the academy's public information
officer. He added:

"There can be no deviation
from the statement made last
week by the superintendent, Maj.
Gen. Frederick Irving."
