

Patricia Labus Married to Air Corps Lieutenant

White gladioli and snapdragons combined with palms and myrtle to enhance the altar of the Christ Episcopal church at LaCrosse on Saturday afternoon at 4:30 o'clock, when Patricia Jane Labus, daughter of Mr. and Mrs. Otto A. Labus, former residents of Wisconsin Rapids, became the bride of Lieut. Allan James Wash Jr., son of Mr. and Mrs. A. J. Wash of Sparta. The Rev. R. D. Winter read the service by the light from many branch candelabra in the presence of 75 guests. Traditional wedding music preceded the service.

As Mr. Labus gave his daughter in marriage she was wearing a Hat-tie Carnegie original gray flannel suit dress, set off by corded white pique collar and cuffs, and a calot style headdress of white pique, swathed in white starched veiling which extended around her shoulders. Her flowers were white butterfly orchids and stephanotis.

The bride's only attendant, Miss Barbara J. Freeman of Beloit, wore an afternoon frock of pale grey wool crepe, the square neckline and long sleeves being set off by pleated white organdy ruffling. Her pompadour hat was of violet felt and she carried a round bouquet of violets.

Steven Playter of Eau Claire was best man and ushers were Ola N. Falk and Donovan N. Olson, La-Crosse.

For her daughter's wedding Mrs. Labus was wearing an ocean blue afternoon dress with a pink felt toque and a corsage of rose orchids. Mrs. Wash in a navy blue and ivory afternoon suit with navy hat wore a corsage of purple orchids.

A reception for 156 guests followed the service at the Cargill House after which Lieutenant Wash and his bride left for Hot Springs, Ark., to spend a brief honeymoon. They will be at home of their friends at Oklahoma City, Okla., after March 20.

Lieutenant Wash has just recently returned from two years of active duty in England and North Africa as a navigator and bombardier in the army air force, and has been assigned to Will Rogers Field for further training. He is a nephew of the late Brig. Gen. Carlyle Wash of the army air corps. While attending the University of Minnesota, where he graduated, he became affiliated with Sigma Alpha Epsilon.

Mrs. Wash, a graduate of Prospect Hall, Milwaukee Downer seminary and Northwestern university, is a Gamma Phi Beta. In recent months she has held a position in the Red Cross office at Camp McCoy, near Sparta.

Those from away who attended the ceremony were Mr. and Mrs. Guy Nash and Miss Jean Nash of Wisconsin Rapids, Mrs. E. M. Hill of Wilmette, Ill., Mrs. R. E. Freeman of Beloit, Mr. and Mrs. P. R. Wash and Dr. and Mrs. A. T. Zierold of Minneapolis, Mrs. E. T. Harmon and Miss Doris Groff of Milwaukee, Miss Marjorie Atwell of Stevens Point and Mr. and Mrs. J. A. Playter of Eau Claire.

Making of Slip Covers to be Topic at Leader Schools

Slip covers are going to provide spring finery for furniture in Wood county homes this year. Leaders this week will begin work on the project chosen by homemakers as part of their year's program.

Five leader training meetings will be held in the county under the direction of Cecelia M. Shestock, home demonstration agent. The meetings will be held according to the following schedule.

Tuesday, March 16, 1 p. m. Arpin, Community hall.

Wednesday, March 17, 1 p. m. Marshfield, New Armory.

Thursday, March 18, 1 p. m. Pitts-ville, Wood town hall.

Friday, March 19, 1 p. m., Wisconsin Rapids Armory.

Tuesday, March 23, 1 p. m. Nekoosa, American Legion hall.

Leaders will study types of slip covers and the simplest ways of making them. Slip covers will be of great importance in the next few years to freshen and replace worn upholstery. Slip covers for furniture which needs re-covering is a war-

time project. It helps to keep in use furniture which might otherwise need to be replaced. This would be a greater drain on manpower and materials than the mere making of a cover to replace a worn out one.

Each two leaders from a group will bring to the meeting a chair on which they will work. Some padding will be applied to arms of chairs where needed. Selection of material as to color and quality will be discussed at the first meetings. A second series of meetings will be held from April 13 to April 20 in each center to complete the slip covers.
