SHE'LL WED BAND LEADER—Betty Grable, motion picture actress, announced she will marry Harry James, band leader, in Las Vegas, Nev., next Monday (July 5). The couple is shown at a New York night club.

Get busy and answer your letters! Uncle Sam has told the soldiers who are out of the country.

Uncle Sam isn't interested in teaching his nephews a fundamental rule of etiquette, that all letters should be answered promptly. He is just trying to stop the flood of letters that has been pouring in to him from anxious mothers, wives, and sweethearts who want to know what is the matter with Johnny, who hasn't been heard from in weeks.

What Johnny doesn't realize, obviously, is the vivid imaginations that the folks back home have. Johnny knows he is all right, at least for the time being. And so he doesn't see much reason for writing home just to say so.

He doesn't worry about himself or his safety and he can't understand that those who love him worry almost constantly.

How a period without mail from him can get their imaginations working overtime. "NO NEWS" NOT GOOD

They are sure he is ill. Or that he is being moved. Or that he is on a fighting front.

In wartime the old slogan "No news is good news" is forgotten.

If Uncle Sam can make Johnny understand that, he won't have to keep after him to make him write home more often.

For Johnny doesn't want those who love him to sit around and worry. He just doesn't realize that if he goes without writing them for a few weeks that is what they are bound to do. He doesn't know that in wartime no news is hard on the morale.

Flashes of Life

Lyons, Kas.—Volunteer Fireman El Anderson jumped up in the middle of the night to dress for an alarm.

His wife challenged him shortly thereafter:

"Take those off," she demanded. "You're not going to wear my slacks to any fire."

No One Complained

Collinsville, Okla.—Mayor Earl Spink invited Tulsa county officials to a fish fry. They ate chicken.

More than 2,000 pounds of fish had been seized from a nearby lake, the mayor reported—but a game warden put 'em all back.

One-Man Rodeo

Coffeyville, Kas.—Staff Sgt. Charles L. Hogan of the Coffeyville army air field drove his car alongside a runaway horse, grabbed the bridle, stopped his car and jumped out.

With the horse halted and calmed, he looked around to see his car rolling swiftly toward a tree.

He caught it in time, too.

For Posterity

Los Angeles—A score of airplane fuselages lay twisted and blackened by flames. Fire-charred wings were scattered, with here and there a melted fuel tank or a snarl of control cables.

Enemy bombs? A crash? No. Just a backyard fire at the home of Arrigo Balboni, the flying jockey. His stock of better used parts was undamaged, he said, but he regretted the loss anyhow: "I was saving those parts for my museum."

Who's Needy?

Hamilton, Mo.—The civic welfare society surveyed leftovers of a defunct WPA canning and school lunch project, and noted several hundred cans of tomatoes.

It decided to give them all to worthy needy persons.

So far it's found only five who'd accept.

Tip

Chicago—Police raids on hand-book establishments once again has prompted an unidentified person to complain to the state's attorney's office of a "book" at 118 North Michigan avenue.

Police Capt. Thomas Duffy told the state's attorney's officials:

"There sure is a book there, but until the writer is more specific we won't know the book that he complains of because there are thousands of them at that place."

No. 118 North Michigan avenue is the address of the public library.

Radio Program to Observe Anniversary

Sunday, July 4th, marks the first anniversary of the radio ministry of the Calvary Baptist church in "The Evangelistic Service of the Air" conducted by the pastor, the Rev. O. B. Ransopher and broadcast over station WFHR on Sunday afternoons. Various musical groups of the church, and a number of guest singers have furnished the music for the services.

In observance of the event, a special service with "Victory" as the theme in message and song has been planned for this Sunday afternoon at 2 o'clock. The ladies trio, a boy's and girl's chorus, and Herbert Krauch, tenor, will sing the hymns.

An attractive and practical souvenir in the form of a guide for Bible reading, has been prepared as an anniversary gift to be sent to all the friends and supporters in this ministry.

AIRPLANE "LIFT"

Two-thirds of the lift of an airplane's wings is produced by a partial vacuum created above the wings, and the other one-third results from pressure under the wings.
