

Looking 'Em Over With Don Unferth

WELL MISS YOU, JOE! Another fine athlete from the Tri-City area has been killed in action on the Pacific war front.

Hardly had the sad news about Sammy Crowns died down when the war department report telling of the death of Joe Goodrich came through.

We offer our sympathy, small as that it may be, to Joe's dad and mother and to his brother, Jim, who is at Camp Atterbury, Ind.

Joe wrote to us from New Guinea last fall, a short time before he moved on up to the Philippines where he finally paid for our freedom with his life.

Even down in New Guinea, where the Japs lurked everywhere, Joe's chief thoughts were of home and athletics. He said that he was very glad to learn about the Junior Baseball league which was started in 1944 in the Rapids and he felt that it was too bad that the league hadn't been started before.

Joe told of how sorely he missed the ball games around the Rapids. You could tell from his letter that he was living for the time when he could get back home and connected with sports again.

When Joe said that the Junior Baseball league should produce some good American Legion teams, he was no doubt thinking about those happy days back during the summer of 1936.

Junior Baseball League Plans 56 Game Schedule

The 1945 Wisconsin Rapids Junior Baseball league will inaugurate its schedule on Saturday, June 2, with a twilight game, scheduled for 6:30, between the St. Lawrence club and the Kruger nine.

Once again the league will play a 56 game schedule, with each of the eight teams being involved in 14 contests. A split season will be played with the first half ending Wednesday, July 11. The second half begins on the following evening.

The champion of each half will play off for the city championship as soon as the regular season's action is concluded.

A few Saturday twilight games are listed on this year's schedule, due to the fact that the Wisconsin Rapids city nine has been granted the use of the diamond at Witter field on two Sundays during the Junior league season. These are June 3 and July 1.

This year's schedule has been worked out so that each club in the Junior circuit plays five Sunday games or four Sunday games and on the Fourth of July holiday. On the Fourth and on each scheduled Sunday a doubleheader will be played.

Golden Gloves Match Ends in 4-4 Deadlock

Milwaukee—(P)—Milwaukee and Minneapolis Golden Gloves boxers fought to a four to four draw last night in an inter-city program.

A one-round knockout scored by Milburn Brown of Minneapolis over Earl Moder, Milwaukee, featured the program.

Local dogs that looked especially good were those owned by Vernon Strehlow and Dick Kellogg.

CONTRIBUTE TO BVL During the past bowling season, Wisconsin Rapids legklers contributed \$454.50 to the Bowling Victory Legion organization, which uses the money to aid the serviceman. BREWERS OPEN EASTERN TRIP IN FIRST PLACE

(By the Associated Press) A week ago the defending champion Milwaukee Brewers and the St. Paul Saints were tied for the top spot in the American association standings.

Today, after they had completed their third series of the season, they were as far apart as they could get—Milwaukee in first place and St. Paul in eighth.

The Brewers won their fourth straight from St. Paul Monday, 6-1, as Floyd Speer pitched three-hit ball.

Joe Vitter's seventh inning circuit clout deprived Speer of a shutout. Get Nine Passes Brewer batters had a field day facing three Saint hurlers for 13 hits and drawing nine walks. Bill Burgo and Joe Stephenson each racked up three singles.

The Milwaukee club was scheduled to play at Kansas City today, before starting a swing around the eastern end of the league. The Brewers will return to Borchert field on May 17 for a series with Louisville.

Minneapolis closed its western trip with a 5 to 3 victory at Kansas City, showing four victories out of five starts in the journey. Len Lillenthal, making his first start on the mound, was the Kel's winning pitcher but had to be relieved in the eighth by Bob Albertson.

The Indianapolis Indians fashioned 11 runs from nine hits and ten walks in a night game to whip Toledo's Mud Hens, 11 to 5, and gain an even break in the four-game series. The Indians shelled Jim Mains, Toledo starting pitcher, for five hits and eight runs in the first three innings and maintained the advantage at the expense of three Buckeye hurriers.

The Columbus at Louisville game was postponed due to cold weather. More than a hundred people chased a deer at Monasha and the animal was finally caught on the ice of Lake Butte des Morts.

Point Plays Here Sunday

Arrangements were completed this morning between Wisconsin Rapids and Stevens Point for the playing of a city team baseball game at Witter field next Sunday afternoon. The contest will start at 2:30.

A home and home series of at least two, and possibly four, games is planned between the two rival cities.

BROWNS RAISE FLAG TONIGHT

St. Louis, Mo.—(P)— Amid hoopla and fanfare worthy of a Hollywood premiere, the St. Louis Browns will raise their first American league pennant in history tonight before a crowd which may number 30,000 fans.

In the gathering will be Senator A. B. "Happy" Chandler, making his first official visit as baseball's new commissioner and President Will Harridge of the American league.

The game with the Cleveland Indians, first night contest of the major league season, will mark the opening of St. Louis' 89 game "dark schedule. It will also be the first time the major league pennant has been raised at flood light ceremonies.

Bing Crosby, who appeared as an ex-member of the Browns in his academy-award winning performance in "Going My Way," has prepared a special transcription of baseball songs and of his best wishes for another successful season for the Browns.

Auburndale Wins, Arpin Loses in League Opener

YELLOW RIVER LEAGUE W. L. Pct. Little Rose 1 0 1.000 Auburndale 1 0 1.000 Marshfield 1 0 1.000 Chili 1 0 1.000 Riverside 0 1 .000 Richfield 0 1 .000 Rondivo 0 1 .000 Arpin 0 1 .000

SUNDAY'S RESULTS Little Rose 2, Riverside 1. Marshfield 14, Richfield 1. Auburndale 13, Rondivo 6. Chili 11, Arpin 4.

Auburndale registered a 13-6 triumph over Rondivo on the opening day of play in the Yellow River league Sunday.

Other first day winners were Little Rose by a 2-1 margin over Riverside, Marshfield by the lopsided margin of 14-1 over Richfield, and Chili over Arpin, 11-4.

Grassl of Auburndale proved the league's top hitter for the afternoon as he collected four hits in four trips to the plate.

Top pitching performances were by Frankwick of Little Rose, who permitted only three hits and fanned 15 Riverside batsmen, and Behling of Chili, who set Arpin down with just three bingles. J. Schill hurled a nine-hitter for Auburndale's triumph.

WORK ON MOUND OF CUBS, TIGERS IS OUTSTANDING

BY JACK HAND If pitching in the early games tells the story, the Detroit Tigers and Chicago Cubs are headed for an October world series date.

While the Bengals have been slapping the ball at a 291 clip, Dizzy Trout, Al Benton and Hal Newhouser have been throttling their American league opponents with a measly 193 batting average.

Six of Charley Grimm's Bruin hurlers have tossed winning complete games in 11 starts and four of them have been five-hitters or lower. Tops in both circuits is the one-hit effort by Hank Wyse against Pittsburgh, spoiled only by Rookie Bill Salkeld's eighth inning single.

The home run ball has not been troublesome to either Detroit or Chicago, the Tiger staff having blanked the long distance sluggers and the Cubs yielded only a single homer while every other club has given up at least one circuit clout, except Steve O'Neill's gang.

Russ Derry belted half the New York Yankees total of eight homers, high in the American but their rivals across the Harlem river, the New York Giants, have collected 13 and the Boston Braves 11, thanks to Ruth Niseman and that short-circuited right field wall.

Nine shutouts have been pitched in the National, three by Chicago with Claude Passeau, Bob Chipman and Wyse each contributing one. Of the seven hurled in the American, Detroit has three, two by Trout and one by Benton.

Pittsburgh's slow start can be attributed to failure of Frankie Frisch's tossers to go the route, only three complete performances by 11 starters. The Bucs have only two circuit clouts but that's better than the world champion St. Louis Cards who are still looking for their first homer.

Of last year's six 20-game winners only two have more than one victory to their credit. Bill Voiselle of the Giants and Trout each have 3-0 records but Rip Sewell of Pittsburgh and Newhouser are struggling along with 1-2 marks. Bucky Walters of Cincinnati hasn't won yet in four starts, being charged with two defeats and Mort Cooper of the Cards got away to a slow start after his salary dispute and has only one victory.

Happy Chandler warms up for a big job.

Chandler Still Handles Himself Well at 46

Second of a series BY HARRY GRAYSON New York—With his heart set on a clerical career, the ever-smiling Albert Benjamin Chandler matriculated at Little Transylvania college in Lexington in September, 1917.

The boy destined to become the governor of Kentucky at 37 and to distinguish himself in the United States Senate before being named Commissioner of Baseball at 46 sang "Irish Eyes Are Smiling" in a rich tenor so well and often that for a time the nickname, Happy, became Irish.

The college president's secretary, learning of his financial status, helped young Chandler obtain work in a laundry. When the old college caretaker noticed the happy-go-lucky freshman's trousers becoming dangerously thin in the worst places he offered to have his wife mend them. Happy was traveling so light he had to toss his only pair of pants out a dormitory window to the caretaker.

Chandler toiled in a restaurant, worked in coal mines and steel mills to obtain an education and a law degree. He had a musical opportunity, but neither that nor the ministry was exciting enough for this swash-buckling young man with an amazing knack for making friends and remembering names.

Enlists in 1918 In 1918 Chandler interrupted his college career to enlist for service in the World War in a volunteer Kentucky company.

Chandler has an authentic athletic background in addition to being an ardent fan in all sports. He won letters in baseball, basketball and football at Transylvania, captained the cagers in 1919 and '20, pitched on the baseball team, played end and quarterback in football creditably despite injuries. He also served as a cheer-leader.

Chandler was graduated from Transylvania in 1921 after spending the summer of '20 in the Red River Valley Baseball league of North Dakota, where he was paid \$150 a month and expenses, more money than he had ever earned in his life.

In 1922 Chandler entered Harvard law school and got a job coaching nearby Wellesley High. Later he went to the oil fields of Lee and Estill Counties in Kentucky, where he managed a baseball team.

He accepted a position as a teacher at Versailles High and at the same time entered the University of Kentucky law school in Lexington. He also became coach at Versailles.

For two years that followed Chandler was up at 6:30 to catch a car and return to Versailles, where he taught two classes in history. Following class, his work as coach frequently kept him busy until 10 at night.

High School Coach Graduated from the Kentucky law school in 1924, Chandler practiced law and coached at the high school until 1926. In the autumn of 1927 he was assistant coach at Center college. Returning to Versailles, he remained there until he entered politics in 1929.

Touring battlefronts and outposts in the fall of 1943, Senator Chandler demonstrated judo and other tricks taught in ranger and combat schools.

Happy Chandler shoots golf in the lofty '70's and at 46 is still thoroughly capable of taking care of himself in almost any kind of company.

"Nothing can do more than participation in sports and recreational activities to increase a veteran's self-confidence and make a wounded man feel he's fitting in," says Schott. "Interest in a sports activity will serve as a kind of therapy, contributing to the vet's philosophy and outlook."
