

Wisconsin Senator Discloses Views at Night Senate Session

Washington—(AP)— Senator LaFollette (Prog-Wis.), long-time critic of Administration foreign policies, announced last night that he intended to support ratification of the 50-nation agreement signed at San Francisco.

LaFollette's announcement came at a night Senate session following a speech in which Chairman Connally (D-Tex.) of the Foreign Relations Committee declared that the fate of future world peace might rest on the Senate's acceptance of the charter.

The Wisconsin Senator spoke against a suggested resolution which would bring the charter before the Senate Monday without the formality of hearings.

LaFollette said that any such short-cutting of committee procedure would hurt the cause of those who want the charter ratified.

"I make that statement as one who intends to support the charter brought back from San Francisco," he declared.

Sgt. Grimshaw, Reported Dead, Returns to Life

New Bedford, Mass.—(AP)— A khaki-clad ghost came back to New Bedford today, read an obituary sketch that told of his death (the death of Sgt. Alan Grimshaw) in Germany last year, and conferred with the attorney who had closed his estate and the books of his life.

He was a very sturdy-looking ghost, was Sgt. Grimshaw, despite the 20-millimeter slug that plowed into his right leg as his Eighth Air Force B-17 was shot down and crashed approaching its target, Brunswick, in March, 1944. He was thinner than of yore, for he lost 40 pounds in German hospitals and prison camps. And now he'd "like to go to Japan, if they'd let me."

Sgt. Grimshaw, perusing back copies of the New Bedford Standard Times, observed that a high mass of requiem has been sung for him in St. Killan's Church on

DICKOF

(CONTINUED FROM PAGE ONE)
been based since April 13, 1944.

Lt. Dickof entered military service in August, 1941, and after undergoing his training, served as radio instructor at Scott Field, Ill., for several years. He was stationed at Boca Raton, Fla., for a time before entering the Army Air Forces' officer candidate school at Yale University, New Haven, Conn., for a course in communications.

In July, 1943, he received his commission and rank of second lieutenant at Yale, after which he went to Boca Raton Field, Fla. He came home on leave at Christmas time in 1943, and was based for a time at Great Bend, Kan., before leaving the States on April 5, 1944, for India.

His promotion to the rank of first lieutenant was effective in November, 1944. Last December his parents learned that he had received the Air Medal with an Oak Leaf Cluster and the Distinguished Flying Cross. On April 19, 1945, he was awarded a certificate of merit.

Lt. Dickof had taken part in about 30 missions, and was slated for a leave in the States beginning July 1.

The Holy Name Society of Sacred Heart of Jesus Catholic Church, of which Lt. Dickof was a member, will have charge of a rosary service for his safe return at the church Sunday evening at 7:15 o'clock. The entire congregation is asked to attend.

Bilbo vs. Chavez

There were other matters - Sen. Tom Connally's report on the United Nations Conference, final Senate approval of the long-disputed price control extension bill and a \$38,500,000,000 War Department appropriation.

But the great bulk of the work was spilled on the FEPC proposition. Senator Bilbo (D-Miss) and a potent, talkative bloc of southerners opposed it on the contention that it spelled trouble between the races, friction in industry, and governmental meddling in business.

Senator Chavez (D-NM) fought for it just as vigorously, contending the southerners were attempting to thwart the will of a majority of the Senate.

Appropriation Sought

The committee, established by executive order of the late President Roosevelt, is designed to prevent discrimination because of race, color, creed, or national origin.

Chavez seeks to write a \$446,200 appropriation for FEPC into a \$770,000,000 omnibus bill carrying funds to support a score of war agencies such as Selective Service, the War Production Board, and the Office of Defense Transportation.

Theoretically, if the bill is passed by midnight tomorrow, the end of the current fiscal year none of the agencies will have an operating funds. Practically, the situation won't be quite that acute.

TEMPERATURE DROP IS FORECAST FOR STATE

(By the Associated Press)

A promise of relief from Wisconsin's first heat wave of the season was given today by the U. S. Weather Bureau in Milwaukee in a forecast of a temperature drop of as much as 10 degrees to night.

The forecast predicted a reading of 52 degrees in the north, and 60 in the southern portion of the State overnight. No rain was predicted.

Temperatures remained in the 80's through much of Wisconsin today after climbing close to the 90 mark in the western part of the State yesterday. At Menomonie, in Dunn County, the mercury touched 89 yesterday. It was 87 at Blair in Trempealeau County, 85 at Prairie du Chien, 84 at Darlington, 83 at Madison, and 82 in Mil-
